Who is it says there is nothing in signs. You know I told you about that spider in my last letter. Well, I knew there was something bad going to hap pen and sure enough it did, for Mr. Hare came walking along and at pped into Rush Pitman's well and was drowned. We haven't drunk any of the water yet. Now when people tell you there is nothing in signs, tell them to think of this when a dog catches a rab-bit in the full of the moon it is a sign that it will catch another if it can soon
